statement of his procedures for the safeguarding of Restricted Data and for the security education of his employees, and DOE shall have determined and informed the permittee that his procedures for the safeguarding of Restricted Data are in compliance with the regulations in this part and that his procedures for the security education of his employees, who will have access to Restricted Data, are informed about and understand the regulations in this part.

§ 1016.6 Specific waivers.

DOE may, upon application of any interested party, grant such waivers from the requirements of this part as it determines are authorized by law and will not constitute an undue risk to the common defense and security.

§ 1016.7 Interpretations.

Except as specifically authorized by the Secretary of Energy in writing, no interpretation of the meaning of the regulations in this part by any officer or employee of DOE other than a written interpretation by the General Counsel will be recognized to be binding upon DOE.

PHYSICAL SECURITY

§ 1016.8 Approval for processing access permittees for security facility approval.

(a) An access permittee who has a need to use, process, store, reproduce, transmit, or handle Restricted Data at any location in connection with its permit shall promptly request a DOE security facility approval.

(b) The request shall include the following information: The name and address of the permittee; the extent and scope of the classified activity and the highest classification of Restricted Data to be received; a written statement in the form of a security plan which outlines the permittee's proposed security procedures and controls for the protection of Restricted Data, including a floor plan of the areas(s) in which the classified matter is to be used, processed, stored, reproduced, transmitted, and handled.

(c) The DOE will promptly inform the permittee of the acceptability of the
